RE: CERTIFICATION OF SUPPORT FOR ELIGIBLE TELECOMMUNICATIONS  
CARRIERS PURSUANT TO 47 C.F.R. SECTION 54.314, CC DOCKET NO. 96-45  
AND WC DOCKET NO. 10-90

Dear Ms. Dortch:

The Arizona Corporation Commission ("ACC") hereby certifies, based upon the attached affidavits from Arizona Eligible Telecommunications Carriers ("ETCs") that all Federal High-Cost and Connect America Fund ("CAF") Support provided to "ETCs" in this State was used in the preceding calendar year and will be used in the new calendar year only for the provision, maintenance and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended, and regardless of the rule under which that support is provided. This includes High Cost Loop Support, Local Switching Support and High Cost Support received pursuant to the purchase of exchanges.

Attached is a list of ETCs certified by the ACC pursuant to Section 54.314 of the Federal Communications Commission's rules (47 C.F.R. § 54.314), which requires States to establish an annual certification process for those carriers receiving Federal High Cost Support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code.

If you have any questions, please contact Pamela Genung at (602) 542-0664.

Sincerely,

*for* Steven M. Olea
